"Energy Field" by WENDY STAVRIANOS (Mount Gaspard Studios HARCOURT, VIC)

Dr. FELIX DE MENDELSSOHN is a renowned psychoanalyst and group analyst practicing in Vienna and Berlin. He is a former Chairman of the Section for Group Analysis of IAGP and Head of the Dept. of Psychoanalytic Studies at the Sigmund-Freud University in Vienna (s. www.sfu.ac.at). He gave the annual Foulkes Lecture in London in 2000 on "The Aesthetics of the Political in Group Analysis - the Wider Scope", published, amongst other of his contributions, in the journal Group Analysis. He has two books published in German currently undergoing English translation, "The Psychoanalytic Subject – Essays on the Theory and Practice of Psychoanalysis" and "The Contrary Motion of the Angels – Psychoanalytic Essays on Art and Society". He is currently working on a book on the Unconscious in Group Life, subtitled "A Guide for Rugged Individualists".

The IOGAP Logo represents Indigenous Australians and animals gathered around a billabong exchanging Dreamtime Stories.

"Metaphysical Space" by WENDY STAVRIANOS
